Applying for College!

The college applications for fall 2021 admissions are open!!! This week we would like for you to focus on applying to at least one college. Below are a few tips to help you with the application process.

- The website to apply to the majority of Texas colleges/universities is www.applytexas.org.
- If you are interested in applying to out-of-state colleges/universities let us know and we will tell you where to find those applications.
- If you want to have Mr. Garcia virtually walk you through the ApplyTexas application you can take a look at this [YouTube video](#). The video is only accessible using the link. If you have any questions you can always email us!
- If you qualify for free/reduced lunch you will also qualify for an application fee waiver! Talk to us if you do need one!
- Once you submit your application make sure to also request your transcript to be sent. You can request your transcript [here](#).
- Do not forget that the goal is to have you apply to 3 or more colleges/universities!
