

THE EAGLES SOAR NEWSLETTER

This week: Tips on How to Strengthen Your College Application

- Know the deadlines for admissions and scholarships!
- Read the entire questions on the application.
- Proofread your application or have someone else proofread it before submitting!
- Be honest, admission offices can verify the information you put on your application.
- Use teachers, counselors, and others who know you well inside and outside the classroom to write you letter of recommendations. Don't forget to also give them your resume!
- If you need resume templates we have some for you!
- Put in the effort when writing your college essays.
- Be original and let your essay tell the admissions committee who you are.
- List all your extracurricular, volunteer, and work experience from freshman year until now!
